Getting Started

About PMHS

Serving the mid-coast area since 1989, Pope Memorial Humane Society (PMHS) is an open-admissions shelter that takes in abandoned, abused, homeless, and unwanted animals in search of hope, healing, and a second chance at finding a loving home. PMHS rehomes animals and educates the community about humane treatment of animals.

What is a “third-party” fundraiser?

This type of fundraiser is led by a group, organization, or individual which benefits PMHS animals. It is not considered a PMHS-run or -led fundraiser. PMHS has no financial responsibility for third-party fundraising fundraisers and PMHS staff is minimally involved. Fundraisers can be large or small and almost any kind of fundraiser can be used to support the animals.

PMHS supports third-party fundraisers to the extent possible and with resources available. These fundraisers should be approved at least 30 days in advance and follow guidelines outlined in this toolkit. **Approval must be received before advertising/promotion is permitted.** Proposal will be reviewed for alignment with PMHS’s mission, and PMHS reserves the right to decline approval or association with a fundraiser for any reason including but not limited to 1) the fundraiser does not support the PMHS mission, 2) no system is in place to ensure accountability of funds raised, 3) the proposal would conflict with current existing philanthropic relationships, 4) the fundraiser would conflict with a marketing or public relations campaign, or 5) the proposal is considered unethical, inappropriate, or conflicts with PMHS organizational values.
Guidelines and Policies

To ensure the integrity of the PMHS name, image, and reputation, third-party fundraisers must abide by the following policies.

Proposals

• Please submit proposal 30 days+ prior to the fundraiser/activity. You will receive a response within 10 days. Proposals are valid for one-use only. If a fundraiser is to take place annually, a new proposal must be submitted and approved each year.

Advertising Logo Use and Promotion

• Approval must be received before advertising/promotion of fundraiser is permitted. Once approved, permission will be given to use the PMHS logo on fundraiser-related materials, and it will be supplied. Please note that all fundraiser-related materials must be approved before use and the logo cannot be used for any other purpose other than what is described in the third-party proposal. You may not alter or recreate the PMHS logo, or create your own logo to represent PMHS, including but not limited to change of color, stretching, or removing words from the logo.

• PMHS reserves the right to decline approval or association with a fundraiser for any reason including but not limited to 1) not supporting the PMHS mission, 2) no system is in place to ensure accountability of funds raised, 3) conflict with current existing philanthropic relationships, 4) conflict with marketing or public relations activities, 5) the proposal is considered unethical, inappropriate, or conflicts with PMHS organizational values.

• All promotional materials must clearly state the percentage or portion of proceeds benefitting PMHS. Please inform PMHS if another organization will also benefit from the fundraiser. Materials must clearly state that the fundraiser is sponsored by you or your organization with proceeds going to Pope Memorial Humane Society.

• The fundraiser must be promoted in a manner to avoid statements or the appearance that PMHS endorses any product, firm, organization, individual or service.

• To protect the privacy of our donors, adopters, and volunteers, PMHS does not provide mailing lists or access to our database for promotion of third-party fundraisers.

• All sponsors must be disclosed to PMHS to ensure there are no conflicts with PMHS philanthropic efforts or relationships.

• PMHS cannot guarantee promotion of any third-party fundraiser on our organizational social media pages. You are, however, welcome to tag PMHS. @popememorialhumanesociety
Materials and Support

- PMHS can provide informational materials about the organization and our programs/services. Please give advance notice of quantity and types of information needed. PMHS does not provide custom signage for fund raisers. Fundraiser signage is your responsibility.
- Due to the number of requests, PMHS will attempt, but cannot guarantee, promotion of your fundraiser in publications, or on our website, staff/volunteer support at your fundraiser, distribution of promotional materials for your fundraiser, or attendance of PMHS animals at fundraiser.
- While PMHS may be able to provide guidance for your fundraiser, we do not have the personnel to handle the organizational and administrative tasks associated with third-party fundraisers. You are responsible for all details of the fundraiser, including underwriting or providing all the related costs, recruiting volunteers, creating flyers, obtaining permits and liability insurance (if applicable), and implementation of all fundraiser logistics.

Finances

- PMHS cannot process or reimburse any expenses incurred as a result of a third-party fundraiser. It is your responsibility to settle all expenses prior to submitting final net proceeds to PMHS.
- Third-party and community fundraisers cannot be held at PMHS unless approved by the Executive Director.
- PMHS is happy to provide acknowledgements to individuals and businesses who have made donations to PMHS through your fundraiser. To do this, we require the full name of each person/business, address, donation type, and amount. A third-party donation tracking sheet is provided for this purpose within this toolkit. Please note that tax receipts can only be provided to donors who make checks payable to “Pope Memorial Humane Society” or “PMHS.” Donations made directly to a third-party fundraiser are not tax-deductible.
- PMHS is not responsible for financial loss.
- PMHS requests that final net proceeds to benefit PMHS be submitted within 30 days of the fundraiser.
Donation Impact

By supporting PMHS, you are providing food, shelter and medical care for homeless pets at PMHS. Any donation made to PMHS directly helps animals in the following ways:

- Providing food, shelter, vaccinations, and medical care at PMHS
- Providing spay/neuter surgery to prevent unwanted litters and reduce homelessness
- Educating the community on how to properly care for animals and reduce cruelty
- Creating healthier pet communities through humane education and other wellness initiatives

What does my donation do?

Every gift, no matter the size, matters. PMHS is grateful for your support. Below is a chart that provides an idea of how each donation can make a difference.

- **Garage or Yard Sales** – Declutter your house and help animals all at the same time!
- **Email** – Raising money does not have to be complicated. Sometimes the easiest thing to do is ask!
- **Concession Stands** – Have a local sports team concession stand and donate a percentage of the proceeds to PMHS.
- **Brown Bag Lunch Day** – Ask everyone in the office to bring a bagged lunch and donation what they would have spent eating out to PMHS.

- **Facebook fundraisers** – Whether for your birthday, or to commemorate an event or special pet, this type of fundraiser is probably the easiest—and Facebook does not charge PMHS any payment processing fees!
Planning

We want your fundraiser to be a big success, so we have included some tips below to help you with your planning journey.

- **Start early.** The sooner you start asking for donations, the more time you’ll have to grow your fundraising efforts.
- **Think of a catchy name.** Get creative with your fundraising names. They can be cute, funny, or full of animal puns. No matter what you choose, you’ll want to make sure it conveys what your fundraiser is all about. When selecting a name, please be sure that you do not use a similar name to any event PMHS already does in order to avoid any confusion.
- **Set a goal.** Give yourself something to aim for. When people find out what your goal is, it makes them more likely to get involved and support you. Be sure to identify your expenses and any potential sources of donations (monetary and items you’ll need for your fundraiser).
- **Keep your expenses low.** One of the best ways to increase the amount of money you raise is to keep your expenses low. Ask people or businesses to donate or discount fundraiser-related items.
- **Involve family and friends.** Ask for help brainstorming ideas, sharing the workload, or making connections with others who can help or get involved.
- **Send emails.** Send emails to your family, friends, and coworkers so they know what you are working on. People who care about you will want to hear your message.
- **Reach out on social media.** Send messages and share your fundraising progress with those who follow you. Ask them to support your efforts.
- **Let PMHS know!** While we cannot guarantee any promotion, we may be able to help hang up a flyer or include it on our fundraisers page on our website. At the very least, tag us on Facebook @popememorialhumanesociety.
- **Ask your employer about matching gifts.** Many companies match their employees’ donations, which is a great way to double your impact.
- **Say thank you.** Remember to send letters to everyone who supports and volunteers for your fundraiser.
- **Stay organized.** Keep up-to-date lists, including contacts and information related to the fundraiser. This makes future planning super easy!
This form will help you stay organized by providing space to track all donations made to your fundraiser. Once your fundraiser concludes, use this to send thank you notes to everyone who supported your efforts. You can also submit this form to PMHS if you would like thank you notes sent from us!

Can you bring puppies or kittens to my fundraiser?

We receive a large number of requests for appearances by our adorable pets. Unfortunately, due to limited resources, we cannot fulfill every request. We ask that you please know we wish you every success with your fundraiser are there with you in spirit, even if we (or the animals) can’t be there in person. If PMHS can accommodate a request for an adoptable pet to be present, we can’t guarantee a particular type or age of animals. We also will not be able to bring multiple animals to your fundraiser. Typically, visits from an adoptable pet are limited to just one for safety.

Will a staff member or volunteers be able to attend my fundraiser?

With the large number of requests we receive, we can’t guarantee that a staff person or volunteer will be able to attend the fundraiser or assist you with your fundraiser. When completing your third-party fundraiser proposal, please include the help needed and we will do our best to make someone available to you.

What items are needed the most?

Please visit our website at www.popehumane.org to view our wish list. We update the list regularly to reflect items of greatest need.

What is the most beneficial, items or money?

We accept all donations, no matter what form, and it all makes a difference. Typically, a monetary donation will make a greater impact as we can use it to provide direct care to an animal in need. If you wish to donate items, we ask that you use our wish list to see the items of greatest need.

What do you do with the money donated?

Please see the donation impact section of this packet for specific ways your donation helps.
